Subject: ISO Certification Announcement

Midland Plastics, Inc. Achieves ISO 9001:2015 Certification

Midland Plastics, Inc. is proud to announce our certification to the ISO 9001:2015 standard.

ISO 9001 is the world's most widely recognized Quality Management Standard (QMS) and helps organizations to meet the expectations and needs of their customers. As part of the ISO 9001:2015 certification process, Midland Plastics, Inc. engaged in a rigorous audit of our business processes, as well as our product quality environments. By achieving this level of certification we continue to demonstrate our ability and desire to effectively and efficiently provide a Quality Management System while continuously improving our products and services, as well as our internal processes. This certification further strengthens our commitment to our customers and our Company Quality Policy.

Here at Midland Plastics, Inc., it is our policy to understand, meet, and exceed our customer's needs and expectations by providing products of the highest possible standards, quality, safety, and reliability. We are committed to the continual improvement of our products and processes, which is the responsibility of every employee.

We would also like to take this opportunity to extend our sincere thanks to our customers and suppliers for their continued commitment, loyalty, and strategic partnership. Midland Plastics, Inc. will always strive to exceed their high expectations. With our goals focused on the emphasis of quality assurance and innovative production, we look forward to bringing the business to new heights in the months and years to come.

Sincerely,

Jay Piepenburg
